INTRODUCTION & WARRANTY

Thank you for selecting and buying V-TAC product. V-TAC will serve you the best. Please read these instructions carefully before starting the installation and keep this manual handy for future reference. If you have any another query, please contact our dealer or local vendor from whom you have purchased the product. They are trained and ready to serve you at the best. The warranty is valid for 2 years from the date of purchase. The warranty does not apply to damage caused by incorrect installation or abnormal wear and tear. The company gives no warranty against damage to any surface due to incorrect removal and installation of the product. The products are suitable for 10-12 Hours Daily operation. Usage of product for 24 Hours a day would void the warranty. This product is warranted for manufacturing defects only.

WARNING!

1. For Indoor use only
2. In the using of the remote, if the indicated lamp blinking quickly, pls change the battery in time. Pls don't use poor quality battery to avoid the leaking of battery liquid to damage the remote.
3. Pls don't use the remote on the wide-range metal or strong electromagnetic wave area, otherwise, it will badly affect the controlling distance.

LINKING AND UNLINKING

 The light can be working after linking with the remote controller.

LINKING INSTRUCTIONS

- 1 Switch off the light, after 10 seconds switch on again
- 2 When the light on, short press any zone of "Link/Unlink" 3 times within 3 seconds
- 3 The light blink 3 times slowly means the linking is done successfully.

 If the light not blink slowly, the linking failed, Please switch off the light again, and follow the above steps again.

UNLINKING INSTRUCTIONS

- 1 Switch off the light, after 10 seconds switch on again
- 2 When the light on, short press "Link/Unlink" 5 times within 3 seconds
Unlinking must be the same zone with the Linking
- 3 The light blinking 10 times quickly, means the unlinking successfully.

 If the light not blink quickly, the unlink failed, please switch off the light again, and follow the above steps to unlink again.
